

Pacific Ocean- worksheet

About Pacific Ocean:

The Pacific Ocean is the biggest ocean of the world and covers more than 30% of the Earth's surface.

The name "Pacific" come from the Latin word: "pacificus" which means peaceful. So Pacific Ocean means peaceful ocean.

The lowest known point on earth is called Challenger Deep and is located in the Pacific Ocean near Guam in the Philippine Sea and the depth recorded is 10,920m or 35,827 feet.

The largest coral reef in the world is located off the Australian coast and is called the Great Barrier Reef.

The ring of fire is also located in the Pacific Ocean.
