

Atlantic Ocean- worksheet

About Pacific Ocean:

The Atlantic is the second biggest ocean in the world and is between the continents of America and Europe and Africa.

The Atlantic Ocean is about half the size of the Pacific Ocean and covers roughly 20% of the Earth's surface. However it is growing in size as it is spreading along the Mid-Atlantic Coasts.

Did you know that the Mid-Atlantic Ridge is the longest mountain range on Earth? It spreads from Iceland to Antarctica beneath the Atlantic.
